

PRESS RELEASE

Town of Louisa – Test Digging of Sanitary Sewer Line Operation

The Town of Louisa will conduct test digging of a sanitary sewer line on Tuesday, 12/16/2025, as part of ongoing efforts to assess infrastructure conditions and support future maintenance planning.

Work will occur in the vicinity of Fredericksburg Avenue between the hours of 9:00 am to 3:00 pm on December 16, 2025, Weather Permitting. During this operation, crews will excavate a targeted section of the sanitary sewer system to inspect the pipe conditions, verify the line locations, and collect data necessary for a comprehensive system evaluation.

The section of Fredericksburg Avenue from the train tracks to School Street will be closed for the duration of work. Detours will be in place, and the traveling public should seek alternate routes or follow posted detour signage. Area Of excavation is highlighted above in yellow.

The Town of Louisa appreciates the public's patience and cooperation while this essential infrastructure work is completed. For questions or additional information, please contact Louisa Town Hall at 540-967-1400.
