Press Release

Test Digging of Sanitary Sewer Line Operation

The Town of Louisa will conduct test digging of a sanitary sewer line, as part of ongoing efforts to assess infrastructure conditions and support future maintenance planning.

Work will occur in the vicinity of Fredericksburg Avenue between the hours of 9:00 am to 3:00 pm on January 7, 2026, Weather Permitting. During this operation, crews will excavate a targeted section of the sanitary sewer system to inspect the overall condition and to verify the line locations.

The section of Fredericksburg Avenue from the train tracks to School Street will be closed for the duration of work. Detours will be in place, and the traveling public should seek alternate routes or follow posted detour signage. The Area of excavation is highlighted above in yellow.

The Town of Louisa appreciates the public's patience and cooperation while this essential infrastructure work is completed. For questions or additional information, contact Town Manager Stuart Turille at 540-967-1400.
